About Us

Christy Teter, Naturopath, owner and founder of Taylor Made Organics Products. Christy is a Naturopath, Master Herbalist, Aromatherapist, has a B.S and M.S in Natural Health. Christy had a private practice specializing in well- baby care, infants & children's issues, ADD, ADHD, Autism, pregnancy, women's health, hormones, menopause, fibromyalgia, fibroid tumors, endometriosis, cholesterol, high blood pressure, cancer, immune system issues, before God called her to Taylor Made Organics full time.

Travis my hubby and I started the business in 1997, with a simple healing Herbal Skin Salve which became the root of Taylor Made Organics, a division of Taylor Made Herbs & Aromatherapy.

Taylor Made Organics offers a large selection of natural organic professional grade aromatherapy and herbal skin care products. Each is formulated in a unique way and for specific skin issues. All products are safe for all ages, because they are natural, soothing, gentle enough for sensitive skin, using only organic, nature's purest ingredients, and free of harmful chemicals.

Our products are hand made and stirred in small batches to ensure freshness. We use only highest quality of fresh organic herbs (100% pure undiluted infused oils or teas), pure aromatherapy essential oils, and natural and 100% organic ingredients. We strive to offer the best botanical medicine and ingredients available.

10% of their first fruits is sown into the Kingdom of God! Learn more about "Giving Back" on the website
